KEY SKILLS

Software | Adobe After Effects, Animate, Photoshop, Premiere, Krita, TV Paint, Wondershare Filmora

Animation | Animation principles, film language, background design, rough drawing, clean up animation

Interpersonal Strengths | Detail oriented, work ethic, efficient, effective, team leader, problem solver

EDUCATION

Master of Arts in 2D Animation | Academy of Art University (2027)

Student member of animation clubs Women in Animation and Tea Time Animation

Bachelor of Fine Arts in Digital Media and Drawing | Stephen F. Austin State University (2021)

PROJECTS

2D Animation | Sheriff Sam, Home on the Range Animation

- Completed a full 2D character animation of Sheriff Sam from rough frames to final color. Planned timing and motion using exposure sheets; redrew provided frames as roughs and in-betweens.
- Created storyboard, layout, and camera movement to support performance and staging. Iterated on animation based on critique, then completed clean-up and final color.
- Designed an original background (not from the film) and convincingly integrated the character. Developed a color study for character and environment.

Layout Design | Fantasy Camera Move Layouts

- Designed three environment layouts and three camera move layouts for a fantasy-themed project. Developed a witches' hut on a hill concept through visual research of fantasy environments and horror animation.
 - Created rough layout sketches and refined compositions based on critique. Added lighting, shadow, and camera movement.
-

ADDITIONAL EXPERIENCE

Office Assistant | MaxFlow Chemicals of Texas (2019-Present)

- Deliver exceptional customer service, manage A/R databases and invoices, and support operations.

Head Student Assistant | Graphic Shop, SFASU (2018-2020)

- Managed team projects and graphic design on behalf of the university.
